Self/Peer Assessment

The purpose of this assessment is to let you indicate the degree of involvement and commitment of members of your group towards the completion of your project. Please evaluate yourself and your peers honestly. Please circle your response and a score of 0 indicates “*not at all*”, while a score of 5 indicates “*excellent contribution*”. Total your responses and include a comment if you think it will help explain your assessment.

Self Evaluation:

Indicate the level of contribution.

A. Classwork

0 1 2 3 4 5

B. Report

0 1 2 3 4 5

Total:

_____/10

Comment:

Peer Evaluation: _____

Indicate the level of contribution.

A. Classwork

0 1 2 3 4 5

B. Report

0 1 2 3 4 5

Total: _____/10

Comment:

Peer Evaluation: _____

Indicate the level of contribution.

A. Classwork

0 1 2 3 4 5

B. Report

0 1 2 3 4 5

Total: _____/10
